

Guide to Downloading Frogbark products

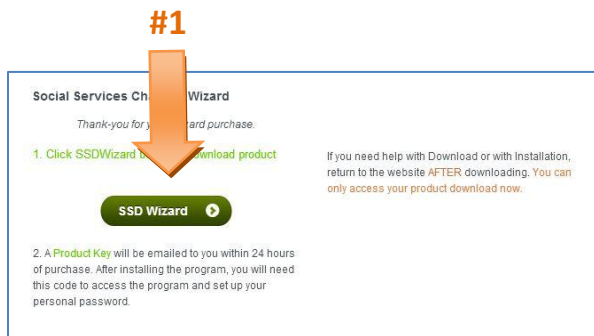

Additional Help on Support page at Frogbark.com

1. Click the Green product button.
2. Download progress will be displayed: ~ 10-20 minutes
3. Click to Keep when given choice to Discard
4. Open Setup.zip file by double clicking
5. Move Setup file (frog icon) to desktop

1. Click Green button

The Download may take 10-20 minutes depending on the speed of your computer.

2. **Download progress** will be displayed in the lower left corner of the screen.

3. **Click down arrow & select "Keep"** when Download completes. A message appears asking if you want to discard the download, as it could be dangerous. Ignore this. **Click the arrow** to the right of Discard and 3 choices appear. **Select Keep.**

4. **Open Setup.zip** from this screen, by double clicking the icon, if it is displayed. If this icon is not displayed, go to your Download folder on your computer. When you open the Setup.zip folder, you will see the Setup icon which is your product
